

Pixajoy Mobile App User Guide

Mini Softcover Photo Book 6" x 6", 36 Pages

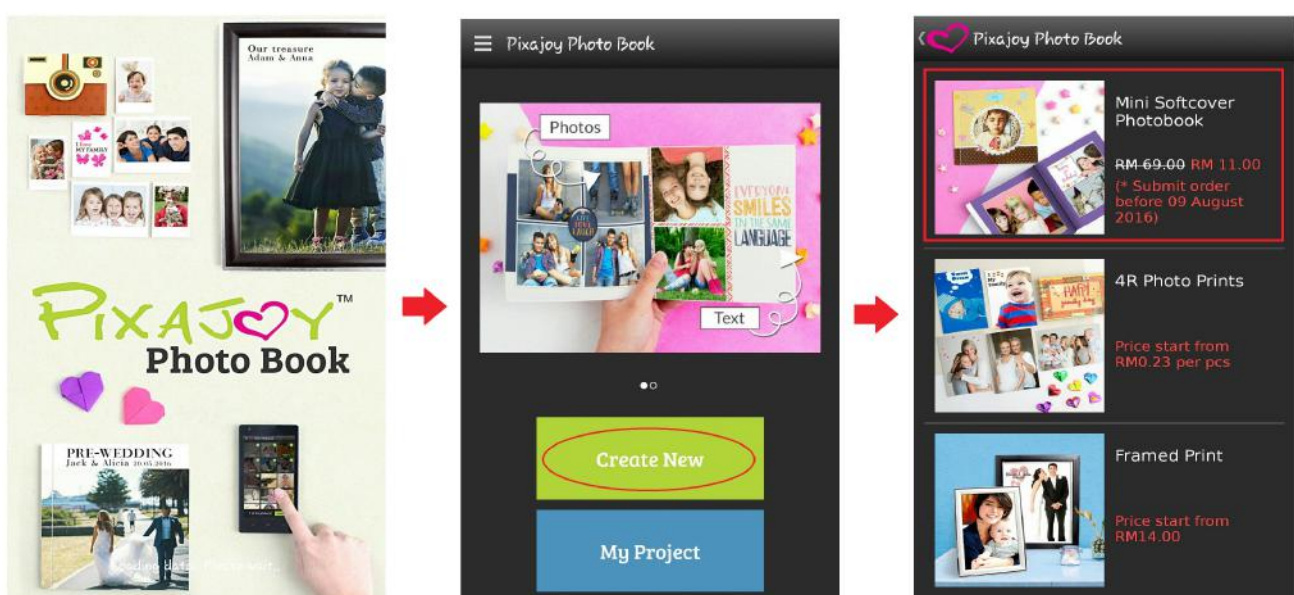

STEP 1: Download and Install Pixajoy Photo Book Mobile App (Only supports for Android Phone)

Go to **Google Play Store** > Search **"Pixajoy Photobook"** > Click **"Install"**

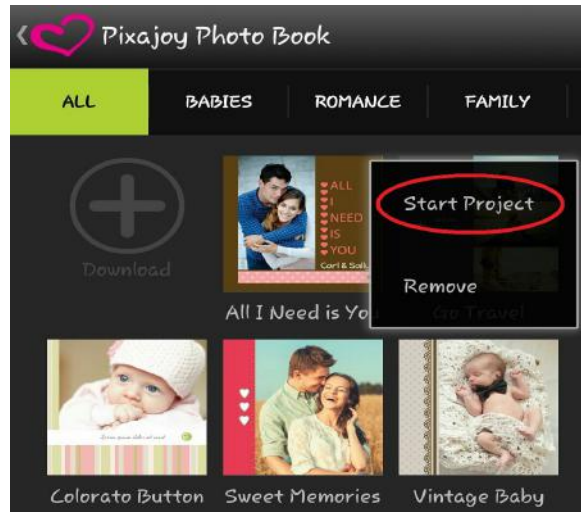

STEP 2: Create a New Project and select Product Specification

Click **"Create New"** > Select **"Mini Softcover Photobook"**

STEP 3: Start Your Photo Book Project

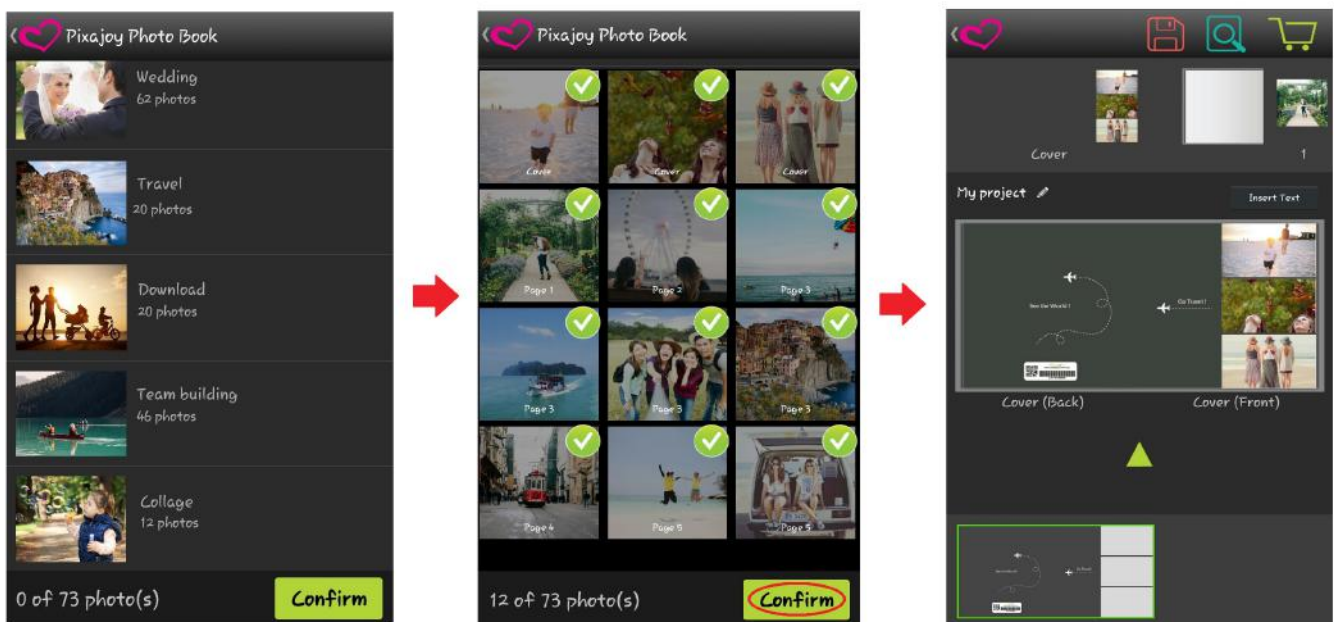

Choose any theme template you like > Click **"Start Project"**

STEP 4: Select Images for your Photo Book Project

Select images from your image folders > Click **"Confirm"**. Images will be adding to your project by auto arrangement.

All of your images will flow into your book automatically according to the page style provided by the template. You can still go through the document and make adjustments to the layout manually.

Design Tips

6.1 Sign In / Sign Up

Sign in with your username and password or Sign up for membership if you don't have one.

The screenshot shows a mobile app interface for a Pixajoy Photo Book. At the top, there is a navigation bar with a back arrow, a heart icon, the text 'Pixajoy Photo Book', and a 'Next' button. Below this, the 'Product' section is titled and shows 'Mini Softcover: 6 x 6 Square'. The 'Cover Options' section has two radio buttons: the first is selected and labeled 'Gloss Art Card 260gsm with Protective Gloss Lamination (+ RM 0.00)', and the second is labeled 'Matte Art Card 260gsm with Protective Matte Lamination (+ RM 0.00)'. The 'Paper Options' section shows 'Art Paper 150gsm with Protective Lamination (Same with Cover lamination)'. The 'Quantity' section has a text input field containing the number '1'.

6.2 Product Details

Choose either one from the lamination options (Gloss Lamination OR Matte Lamination) > click “NEXT”

Note: For more detailed information about the paper lamination, kindly visit <http://www.pixajoy.com.my/about-us/quality-overview> > Paper Quality

The screenshot shows a mobile app interface for shipping details. At the top, there is a navigation bar with a back arrow, a heart icon, the text 'Pixajoy Photo Book', and a 'Next' button. Below this, the 'Shipping Details' section is titled. It contains several input fields: 'Receiver's Name', 'Contact Number', a dropdown menu for location (currently showing 'Malaysia (West)' and 'Kedah'), 'Address' (two stacked fields), 'Postcode', and 'City'.

6.3 Shipping Details

Fill in the receiver's name, contact number and delivery details > Click “NEXT”

Note: If you are not from **country - Malaysia (West)** or **state - Kedah**, please click button  at the bottom right corner to make changes.

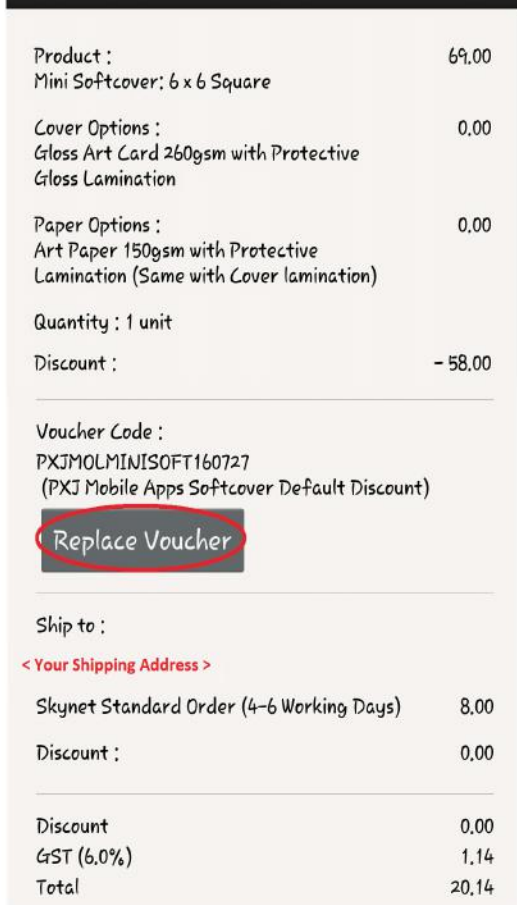

6.4 Shipping Courier

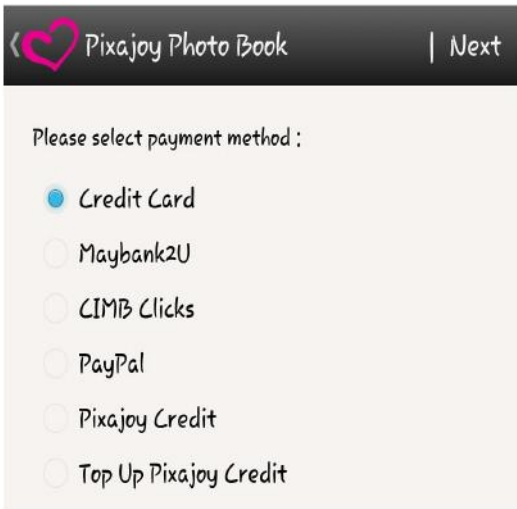

Select the shipping method and courier service you wish to use >
Click **“NEXT”**

6.5 Voucher Redemption

If you are using prepaid voucher, click **“Replace Voucher”** and enter your eVoucher Code for redemption.

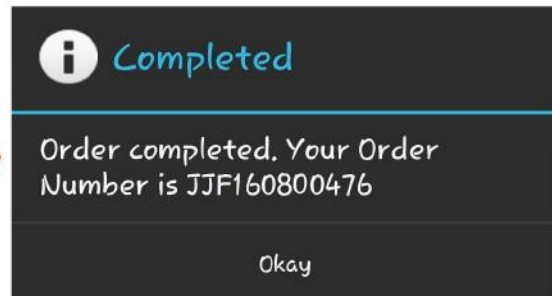

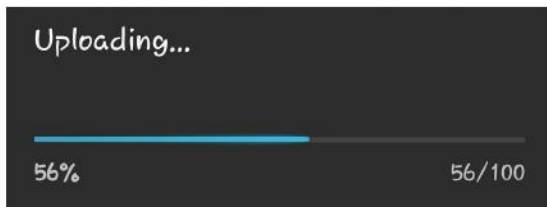

6.6 Payment Method

Choose a payment method that you prefer, and click **“NEXT”**

Note: *If none of the above is in your preference, please choose **“Top Up Pixajoy Credit”** to reload your credit. After adding credit, please choose **Pixajoy Credit** to make the payment.*

STEP 7: Upload Your Order File

When your file is successfully uploaded to the server, it will display to you along with your **Order Number**.
click **Okay** to return to the application

STEP 8: Check Order Status

Click **“Pixajoy Photo Book”** to check your order status > Choose **“My Order”** to view the order details
