Make a Book

Offline Method:

Download Now

Step 3: Sign In / Sign Up

Sign in with your username and password or Sign up for membership if you don't have one.

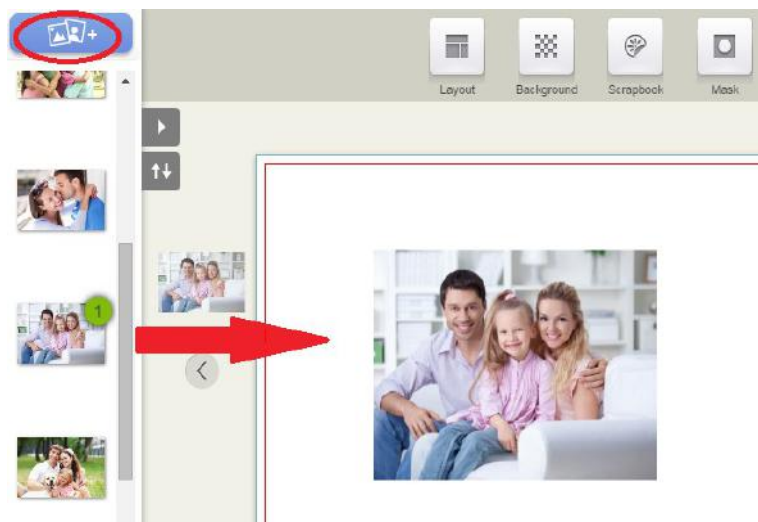

Step 4: Start Your Project

Click on the “  ” icon to upload your photos from your photo folder. The photos will be loaded into the Picture Manager and are ready to use.

Note: Make sure the green progress bar below your photo is completely gone before closing your project to avoid “missing picture” when submitting your order

Start your project by simply dragging and dropping the photo onto the page.

**** TIPS:** For more detailed information about editing project, please refer to *Online Pixajoy Editor Tools and Editing Tips* on page 9 – 15.

Step 5: Save Your Project

Click **“Save”** button to fill in the project name and save your project.

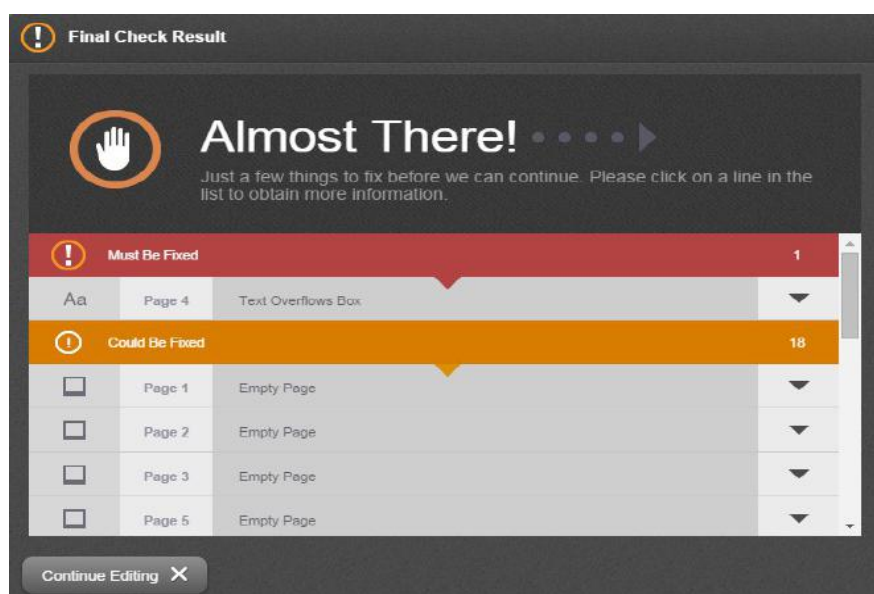

Step 6: Place Your Order

6.1 Add Your Order to Shopping Cart

Click on the green Shopping Cart **Order** button to add your order to the Shopping Cart.

6.2 Final Check Result

If the final check result displays **red** error as above, the order cannot be placed until the problem is resolved.

Circumstances of red error message:

- Missing Pictures
- Overflowing Text
- Missing Font
- Missing Mask
- Missing Application Or Product Scrapbook Picture / Background
- Missing Application Or Product Mask

return to the project by clicking **Edit Page** to fix the problems before proceeding to submit your order. If the final check result only shows **orange** error as above, you can return to the project by clicking **Edit Page** to fix the problems or click **Confirm** to continue. A window will appear to ask whether or not you wish to continue if there are unresolved issues. It is very much recommended that you fix all errors to obtain the optimum result before clicking **Confirm** to continue.

Circumstances of orange error message:

- Empty Picture Box
- Empty Page
- Empty Text Box
- Low Quality Picture
- Low Quality Background Mask
- Low Quality Picture Mask
- Low Quality Shape Mask

6.3 Order Details
